

SAFEGUARDING CHILDREN & VULNERABLE ADULTS

Here in our Benefice of five parishes and six churches we take the safeguarding of children and vulnerable adults very seriously.

We have adopted the Bath & Wells Diocesan safeguarding policy and you can view that at the diocesan website [HERE](#).

You can find the Church of England House of Bishops Parish Safeguarding Handbook at the Church of England website [HERE](#).

We also have a safeguarding representative, one of our Churchwardens, Mr Steve Ford, and you can contact him [HERE](#). Alternatively you can contact the Bath & Wells Safeguarding Advisor, Glenys Armstrong, [HERE](#).
